

## How to work out Adobe Quantity Discounts

eg: Acrobat Professional

						Points gained per licence bought	Band
54026336ER	Acrobat Professional	WIN	9	<b>£192.64</b>	New License	150	1 - 999
54026336ES	Acrobat Professional	WIN	9	<b>£129.48</b>	New License	150	1,000-4,999
54026336ET	Acrobat Professional	WIN	9	<b>£110.28</b>	New License	150	5,000+

Points only apply when you see these 3 bands

**Each licence gets 150 points, so:**

if you buy 7 licences (7\*150) you have 1050 points so the next price would apply - £129.48 not £192.64

if you buy 35 licences (35\*150) you have 5100 points - so the licence price becomes £110.28 each
